Mood Board for Let's Mahj Site

A screenshot of the Oppi website. The top section shows a smartphone displaying a food delivery app interface with a dish and a price of 150cl. Below this, there is a heading "That Means we Don't Just Deliver" and some text. The main section features three circular icons: "Build now & repeat business", "Increase your average ticket", and "Boost efficiency and orders". At the bottom, another smartphone screen shows a different food delivery app interface.

A screenshot of a website for Cersae 2018. The top section features a video player with the text "Play video". Below the video are several images of interior spaces, including a living room with a fireplace and a staircase, and a person working at a desk. There is also a section titled "Cersae 2018 - Italy" with some text and a "Shop" button.
